Engineers Visit Power Plant. The Engineering Society of Geory Washington University visited the University Station power plant isst night, All the modern equipment of the plant, is cluding the automatic stokers and r frigerating machines, was explained it the employes. A. Anold Brand, pres dent of the society, lead the party.

Lectures on Present Day Mexico. "Following the Figs in Mexico." pic-tures now being shown at the Belazco. Theater, has annexed to its staff for the remainder of the week the lecturer. Hamilton Walton, of New York. Mr. Walton has until recently been newspaper correspondent on the border. Driven by a gasoline tractor, a ma-chine has been invented for clearing ground of young timber and brush, even though closely matted against the soil.

Young Wife: How well I know your problem! Is there no woman physician in your locality? Look about and write me direct so that I can put you in contact with a human touch. Do not be afraid. Mother Nature is the most wonderful of all mothers and never deserts ber children when they obey her precepts. Even then she does everything in her power te cerrect our mistakes. Trust her,

If you feel that your marriage is one and that you can make her go to her and tell her so.

Susanna: Yes, the hair articles are very comprehensive. I am giad you go so much out of them. Why not first try very simple measures for your oily skin! This for instance: Tincture of bemoin, I ounce; elder-flower water, I pint. Daub on with absorbent cotton.
